Part of my job selling boats is to ensure buyers are ready to go cruising. Training is part of the deal. My name is Jeff Merrill, and I have always wanted to share my advice with a larger audience. That's why I developed **Offshore Cruising: Preparing Craft & Crew** for boatersuniversity.com, to give others the benefit of what I learned the hard way from 20,000 offshore miles. **If you sign up today, you can get 30% off the class when you use code PREPARE30.**

This course—with all its tips and tricks—shows how taking simple measures before you leave the dock can prevent emergencies and how to best deal with those emergencies that cannot be avoided. This collection of salty wisdom will give your family and friends comfort. Knowing that you (and they) are ready for the worst will make your adventures on the water that much more enjoyable.

Don't forget to use code PREPARE30 to save 30%.
