## *Painkiller*

**Price: \$650,000.00**

**Location: Palmetto, FL**

*Painkiller* is an ideal trawler for any couple to enjoy the cruising lifestyle. The 39<sup>th</sup> hull in the series, she benefits from extensive updating as she has continually refined her cruising pedigree. She is comfortable to live aboard – for weekend getaways or for months on end.

The Selene 43 is a modest sized trawler with exceptional features. Easy for two to maintain, she has the classic two stateroom, two head layout. The raised pilothouse makes for better visibility underway and a separation of space from the other living areas. The engine room has easy access. The outside deck space has a swim platform and cockpit with double side decks. The Portuguese bridge connects to the foredeck and the boat deck connects to the flybridge.

*Painkiller* is ready to go, are you?

# Selene 43 Painkiller

## DESCRIPTION:

Cockpit: The cockpit is a utility area that can be used for fishing, or relaxing under the shade of the boat deck. There are three cockpit boarding doors – port, starboard and aft. Under the cockpit decking is the lazarette which is a large storage area that houses the steering components and other systems. The swim platform has staple rails, hot cold freshwater shower, hand rails and swim ladder.

- Sea water washdown
- Textilene treatment on windows
- Canvas covers on varnished caprail
- Forward console with storage
- Recessed hawsepipes with cleat horns
- Shore power connections
- Forward to walking side decks port and starboard

Saloon: Entering through the Dutch door you are welcomed by a warm teak interior with viewing windows outboard and the galley forward. The saloon layout features an L-shaped settee and dining table to port. The entertainment center to starboard contains a stereo equipment and a television. Aft under the sole is the lifting hatch to access the commissary storage underneath.

- Dutch door with teak veneer
- Starboard two chairs with ottoman's
- Teak reading stand between chairs
- L-shaped upholstered settee to port – with slide out
- Dining table to port with custom inlays
- End cabinet with storage to port
- Outboard lockers to port with louvered doors
- Teak and holly sole
- Entertainment cabinet
- Adjustable blinds on all windows
- Forward slide windows with screens
- Controls for main deck air conditioning and heat
- Weems and Plath ship's clock and barometer forward to port
- Battery switches for generator and main
- Lazarette locking push bar
- Fire suppression pull
- Vizio flat screen television in forward cabinet
- Ocean Frigast reading lights
- Sole hatch access to full-beam commissary below

Commissary: Inside the saloon entrance there is a floor hatch access to a large storage space called the commissary. A teak two step ladder takes you to the hull level and the sole is covered with durable vinyl. There is a bilge pump system below the sole hatch. There are several lockers with louvered doors. The lockers provide storage and one has a divided tilt area matrix for wine bottles. Outboard to port is a

## Selene 43 Painkiller

locker with intake through hull and strainer for lazarette water maker. Port outboard is the air conditioning compressor. The Frigoboat freezer is aft to starboard (out of service). The outboard starboard locker has the main engine water lift muffler.

- Storage lockers
- Air conditioning compressor
- Main engine water lift muffler

Galley: The forward section of the entry level houses the galley. It is practical and efficient with necessary appliances including a Whirlpool refrigerator/freezer, a Force 10 three-burner propane stove and oven with broiler and a GE Profile microwave/convection oven with exhaust fan. There is good counter space for preparing and serving meals. Forward to port is the accommodations deck stairway, forward to starboard leads up a few steps to the raised pilothouse.

- Whirlpool refrigerator/freezer with brushed stainless finish
- Force 10 three-burner electric stove and oven with broiler
- Wood cutting board cover for stove top
- Purified water tap
- Propane solenoid switch
- GE Profile microwave/convection oven with exhaust fan
- Forward lockers have slide out shelves for plates, etc.
- Multiple drawers
- Louvered lockers for storage
- Overhead locker storage (6) louvered doors
- Magnetic spice rack
- Granite countertops – saloon side has raised counter to conceal food preparation
- Red overhead lights for night running
- Double basin stainless steel sink with wood cutting board cover

Pilothouse: The Pilothouse is the primary station for operating *Painkiller*. The navigation and communication electronics have been recently upgraded. The layout is designed to make traveling convenient with a lot of thought put into the placement of the display screens and controls. Very open, great visibility, easy to get around and also interior access to fly bridge. ***Italicized (primarily) Garmin electronics installed in 2021.***

- *Garmin 8616 MFD, Pilothouse*
- *Garmin 8612 MFD, Flybridge*
- *Garmin 8610 MFD, Pilothouse*
- *Garmin AIS 800 Transceiver*
- *Garmin GPS 19 Receiver/Antenna*
- *Garmin GXM 54 Receiver/Antenna*
- *(2) Garmin GMS 10 Network port expander*
- *Garmin card reader*
- *(2) Garmin Fusion WB 670 stereo*
- *Garmin PS 51 forward looking sonar transducer (removed abandoned Interphase transducers)*

## Selene 43 Painkiller

- *Garmin GC 200 Marine Camera, Cockpit*
- *(2) Shakespeare Galaxy 5230 VHF Antenna*
- *Siren Marine vessel monitoring system*
- *Airmar B60 Sonar Transducer*
- *(2) Maretron DSM 570 Displays in Pilothouse*
- *Digital Yachts NavLink2 WIFI Gateway*
- Yacht Controller for thrusters and main engine
- Ritchie compass
- Wesmar stabilizer control panel
- Side Power bow and stern thruster joystick controls
- Muir anchor winch controls
- Northern Lights genset monitor panel
- Cruisair air conditioning and heat controls
- Retractable chart table with underneath storage
- Raised bench helm seats with storage below
- Ocean Frigast reading light
- Diamond SeaGlaze Dutch doors port and starboard
- Hynautic hydraulic steering
- Clock
- Selene 43 diagram panel with diodes for ON areas and systems
- Red overhead night lights
- Overhead hatch with screen/shade
- Opening and screened side windows port and starboard - Textilene window covers
- Watch berth
- Stair access to fly bridge
- Two Dutch doors outboard with teak veneers
- Electrical breaker panel – numbered breakers and ON diodes

### Lower landing

Down a few steps you arrive at the base of the accommodations level. The Splendide clothes washer/dryer is outboard. There are storage lockers outboard in the stairway.

Guest Stateroom: The stateroom accommodations are on the lower level. Descending the steps from the entry level you reach a landing. The guest stateroom with double bunk beds is to port, the heads are across the hall and the owner stateroom suite is forward. The guest cabin has a clever door arrangement to close off the room for privacy at night and to open up the area during daytime.

- Upper and lower berths
- Storage under lower berth
- Cedar-lined hanging locker
- Ocean Frigast reading lights
- Air conditioning and heat control
- Two opening screened port lights

## Selene 43 Painkiller

- Bi-fold hallway door can be closed for privacy or folded back for space

Guest/Day Head: The hallway head is convenient to the upper level and the guest stateroom. It is a day head with a separate shower, sink and cabinetry.

- Separate shower enclosure with door
- Tecma freshwater electric head
- Vanity with mirror, light, medicine cabinet and top storage
- Granite countertop with built-in sink
- Granite sole with stainless dividers
- Grohe fixtures
- Two opening port lights with screens
- Exhaust fan

Owner Stateroom: The owner stateroom has a queen island berth. The cabinetry includes built-in hanging lockers and drawers. Two large overhead hatches and opening portlights provide light and ventilation. There is a hallway door that, when closed, separates the owner cabin and head/shower into its' own suite.

- Centerline queen berth with custom mattress and storage underneath
- Two large cedar-lined hanging lockers with lights
- (2) Bureaus each with four drawers
- Starboard bureau has mirror and light
- Storage along berth on both sides – shelf above, lockers below
- Port-side book rack
- Ocean Frigast reading lights
- Teak and spruce soles
- Air conditioning and heat controls
- Forward cabinets above berth
- Overhead hatches with screen/shades
- Two opening screened portlights on each outboard side

Owner Head: The Owner head includes a separate shower enclosure with door. Tecma fresh water toilet. Mirrored medicine cabinet above sink.

- Separate shower enclosure with two doors
- Shower has teak grate and seat with teak slats
- Hand-held shower head extension
- Tecma electric fresh water head
- Vanity with mirror, light, medicine cabinet, and top storage
- Granite Countertop and back-splash with built in sink
- Grohe fixtures
- Two opening screened portlights
- Granite sole with stainless dividers

# Selene 43 Painkiller

Engine Room: The engine room has a hinged door with window for access. The layout allows for good servicing access to the machinery.

- Cummins QSL 5.9 liter 330 HP
- Twin Disc MG-55050 transmission 3.0:1 ratio
- Shaft shark line cutter
- Side power bow and stern thrusters
- Wesmar active fin stabilizers
- Racor 1000 dual primary filters on main engine
- Racor 500 dual primary filters for genset
- Reverso oil change system for main engine, transmission and genset
- Cruisair reverse cycle air conditioning and heat
- ESI Fuel polishing/balancing system

Boat Deck: The boat deck is above the saloon and is the area for stowing your tender. There are weather cloths hung from the stainless-steel railing all around. The mast and boom are rigged to handle dinghy launch and retrieval.

- Forespar mast and boom assembly for dinghy launch and retrieval
- Spreader and anchor lights
- Electric boom winches
- Dual position back rest storage seat
- Weather cloths on stainless railings
- AB 10' RIB inflatable dinghy
- 20 HP Tohatsu outboard with electric start and tilt

Flybridge: The Flybridge is a great place to operate the 43 underway and a top-level retreat when you are at rest. The folding Bimini top shades the sun and keeps this area dry when it rains. The pilothouse roof just forward has a hatch, hailer and search light.

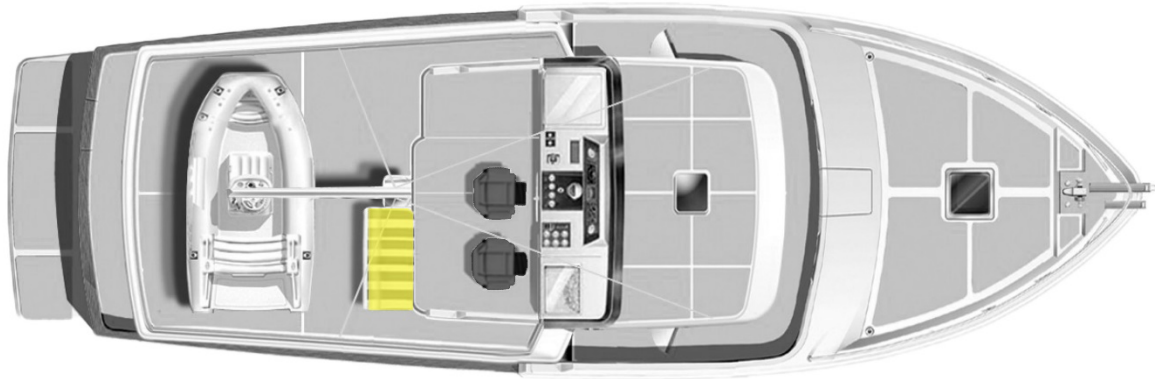

- Center helm station
- Two Stidd helm chairs
- Hinged Plexiglas cover for instrument panel
- Heavy-duty 1 ¼" stainless railings throughout
- Port and starboard running lightboards

Exterior and Decks:

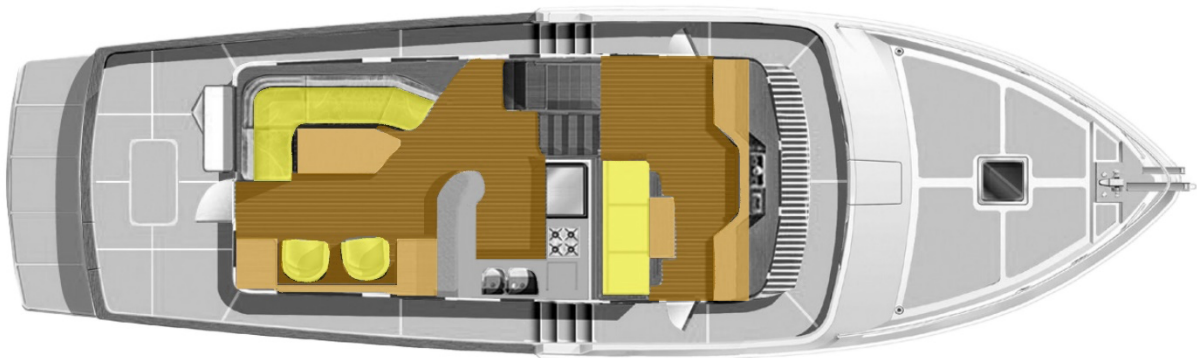

- Overhead courtesy lighting and deck step lighting
- Muir Cheetah electric horizontal windlass with gypsy and capstan
- Windlass controls at foredeck, both helms and handheld remote control
- Two hinged doors for chain locker access
- 40 KG Rocna anchor with 400' 3/8 HT chain
- Teak rail covers
- Upgraded stainless window frames
- Custom Textilene cockpit screens

### IMPROVEMENTS since January 2021

#### Upgraded Navigation and Communications Electronics:

- Garmin 8616 MFD, Pilothouse
- Garmin 8612 MFD, Flybridge
- Garmin 8610 MFD, Pilothouse
- Garmin AIS 800 Transceiver
- Garmin GPS 19 Receiver/Antenna
- Garmin GXM 54 Receiver/Antenna
- (2) Garmin GMS 10 Network port expander
- Garmin card reader
- (2) Garmin Fusion WB 670 stereo
- Garmin PS 51 forward looking sonar transducer (removed abandoned Interphase transducers)
- Garmin GC 200 Marine Camera, Cockpit
- (2) Shakespeare Galaxy 5230 VHF Antenna
- Siren Marine vessel monitoring system
- Airmar B60 Sonar Transducer
- (2) Maretron DSM 570 Displays in Pilothouse
- Digital Yachts NavLink2 WIFI Gateway
- Blue Sea Battery Monitor
- Televisions in Saloon and Owner Stateroom
- Bose sound bar in Saloon
- DirecTV Receiver
- DVD Player in Saloon

#### Upgrades / Repairs:

- LED Running Lights
- LED Spreader Lights
- Underwater Lighting with controller

## Selene 43 Painkiller

- Replaced all mast stays (standing rigging)
- Replaced Dyneema lines for the mast/boom tender lift system
- Replaced block and tackle for boom control
- Replaced controller for the winch on the mast/boom tender lift system
- Replaced Balmar 95 Series 140-amp cruising alternator
- Replaced Sidepower thruster controls in pilothouse and flybridge
- Replaced AC raw water strainer with a Groco 1 ¼" strainer
- Replaced AC fan blower in saloon
- Replaced AC fan blower in owner stateroom
- Replaced all hydraulic hoses for Wesmar stabilizers
- Replaced back deck shower fixture
- Replaced freshwater pump and pressure tank
- Replaced all sanitary hoses
- 20 HP Tohatsu outboard with power tilt for tender
- Replaced fenders and whips
- Magma stainless steel grill (2021)
- Whirlpool refrigerator in galley (2021)
- Splendide clothes washer/dryer (2021)
- Reverse osmosis water filter in galley (2021)
- Levolor blinds in saloon (2021)
- Custom mattress in owner stateroom (2021)
- Bedspreads and drapes in owner and guest staterooms and heads (2021)

### Maintenance:

- Main engine cooling system serviced 1/21
- Main engine belts replaced 1/21
- Main engine raw water pump impeller replaced 4/22
- Main engine oil changed 5/22, reports available
- Main engine secondary fuel filter replaced 5/22
- Main engine anodes replaced 12/21
- Generator cooling system serviced 1/21
- Generator belts replaced 1/21
- Generator raw water pump impeller replaced 5/22
- Generator oil changed 5/22, reports available
- Generator secondary fuel filter replaced 5/22
- Generator anodes replaced 12/21
- Main engine transmission fluid tested 5/22, reports available
- Hydraulic hydraulic system flushed/serviced with fresh fluid 5/22
- Hull prepped and bottom painted 1/22
- All hull and thruster anodes replaced 1/22

## Selene 43 Painkiller

### **BROKER COMMENTS:**

**Painkiller** truly is a comfortable platform for offshore adventures. Whether you want to cross an ocean or explore a long stretch of coastline, she can get you there. The Selene product line has earned a popular following for their craftsmanship, build details, systems installation, and equipment selections. She is a lot of boat for 43' and incredibly versatile with long legs, shallow draft and a lot of features more commonly found on larger trawlers. The current owners search a long time before purchasing Painkiller and they have enjoyed running her and improving her. The recent arrival of their first grandchild has caused a shift in plans and they look forward to turning over **Painkiller** for the next owners to continue the adventures.

For additional information please visit **Painkiller's** website, [www.Selene43ForSale.com](http://www.Selene43ForSale.com)

**Exclusions:** Potential purchasers should assume that items on the vessel at the time of viewing, but not specifically listed on this sheet, are not included with the sale of the yacht. These specifications are believed to be true and correct but cannot be guaranteed. Items excluded include, but are not limited to Paintings, tools, handheld nav gear and binoculars. Owner's personal effects and clothing will be removed prior to closing.

**Disclaimer:** Jeff Merrill Yacht Sales, Inc. presents the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor guarantee or warrant the condition of the vessel. Buyers should instruct their agents and their surveyors to investigate all details the buyers desire validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

**Brokerage:** JMYS is a US based (licensed and bonded yacht brokerage in California, Florida, and Washington) with an international emphasis specializing in ocean capable trawlers. We treat our clients with respect, we are responsive and not pushy. Our focus is to become your loyal advocate, always looking out for your best interests. The team at JMYS has extensive trawler and motor yacht product knowledge and our skills are available for coaching after the sale has concluded.

**Co-Brokerage:** Fellow yacht broker association members: This listing is available for co-brokerage and JMYS is a 50/50 house. Courtesy showings are available by appointment. Florida listings subject to appropriate broker licensing required by law.
